I. Say whether the following statements are true (T) or false (F): (3 x 10 = 30)

1. Learning the Second Language (L2) is different from acquiring the First Language (L1).   T/F
2. Contrastive Analysis and Error Analysis is a branch of Contrastive Linguistics.   T/F
3. Contrastive Analysis came to explain the Errors in Error Analysis.   T/F
4. Corder describes errors as being systematic while mistakes are non-systematic.   T/F
5. Structural differences between 2 languages are insufficient to predict errors in L2 acquisition. T/F
6. MSA is an abbreviation that refers to Modern Standard Arabic.   T/F
7. The Interference Theory is one of the most factors in studying Contrastive Analysis.   T/F
8. A Possible Self-Correction exists in "Errors" as random slips in performance.   T/F
9. Positive Transfer occurs when the first language is different from the second language.   T/F
10. Negative Transfer occurs when the first language is similar to the second language.   T/F

II. Use the following six terminologies: *[[(A) Description, (B) Translation, (C) Phonology / Orthography Error (D) Random Error, (E) Addition Error]]* to complete the following statements appropriately. (5 x 6 = 30)

1. _____ is one of the Types of Errors as in "*Does *can* he go to college".
2. _____ is one of the Levels of Errors as in "*I went to skuul. (I went to school)".
3. _____ is one of the Stages of Errors as in "*Hassan can**s** sing. (Hassan can sing)".
4. _____ is one of the Procedures of Contrastive Analysis (CA).
5. _____ is one of the Branches of Contrastive Analysis (CA).

III. Define briefly any THREE of the following topics. (3 x 10 = 30)

1. Contrastive Analysis (**OR**) Error Analysis   4. Errors (**OR**) Mistakes   7. The Interference Theory
2. Overgeneralization (**OR**) Interference   5. Inter-lingual Errors   8. L1 (**OR**) L2 (**OR**) SLA
3. Theoretical Contrastive Studies   6. TL (**OR**) NL (**OR**) MSA   9. Intra-lingual Errors

IV. Write short notes on any TWO of the following topics: (2 x 15 = 30)

1. Level 1: Coalescence (as a Level of Difficulties)   5. Strong vs. Weak Versions of CA
2. Contrastive Analysis & Second Language Acquisition   6. Criticism of CA (**OR**) Criticism of EA
3. Differences between Errors and Mistakes   7. Language-Learning Strategies
4. Mainstream of Contrastive Analysis (CA)   8. Types of Contrastive Studies

V. Write an essay on any ONE of the following topics: (1 x 30 = 30)

1. Contrastive Analysis and Error Analysis (Brief Introduction)   4. Contrastive Analysis (CA)
2. Procedures of Contrastive Analysis (How to Compare Languages)   5. Interference Theory
3. Branches Involved in Contrastive Analysis   6. Error Analysis (EA)
